

Distance Learning as a Component of Pilot Training

Captain Chris Reed
Manager - AQP, JetBlue Airways
(Representing Airlines For America)

Distance Learning

- ▶ What *is* DL?
 - Homework?
- ▶ What has technology done for DL?
 - Enabler
- ▶ What's good about (good) DL?
 - Self-paced, engaging, effective

DL - One Airline's Experience

▶ What

- QDL - Replacement for Recurrent Classroom training

▶ How

- Pushed to individual pilots' computers
- Assessments on-line, sampled live

▶ Reception? (*pilots, mgmt, & FAA*)

- Overwhelmingly positive

Distance Learning

- ▶ Some thoughts about “appropriate” use of DL
 - Media matched to learning objectives
 - Doesn't have to be fancy to be effective
- ▶ Some thoughts about assessments
 - Value
 - Validation
 - Don't skimp on design!

Thank you!
